

Crespi Junior High

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-ntab (LCAP)

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 7	263
Grade 8	250
Total Enrollment	513

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2016 and is currently under development.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

We welcome parental involvement in a number of ways. Regular messages go home informing parents of upcoming events and academic milestones. Parents are invited to visit classes in session with appropriate notice and grade reports are sent home twice each quarter. We have two School Community Outreach Workers, one of whom is bilingual in English and Spanish, who lead parent outreach efforts, communicate daily with students and parents, and interface daily with all stakeholders. Parents of struggling students are invited to participate with all of the child's teachers to discuss their progress. The ELAC Committee is made up of parents of English Learners and makes recommendations about how funds will be spent to provide the best possible educational opportunities for those students. This is an important role that we play in addition to the other roles of the ELAC, a role that we play beyond the school site.

State Priority: Pupil Engagement

Last updated: 1/4/2018

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

State Priority: School Climate

Last updated: 1/25/2018

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	18.3%	15.8%	20.1%	6.2%	6.3%	5.9%	3.8%	3.7%	3.7%
Expulsions	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%	0.1%	0.1%	0.1%

Professional Development

classroom observations. Teachers and other staff are provided with both on and off-site professional development in all standards based curriculum content areas. Beyond the content areas, professional development is provided in English Language Development, differentiated instruction and educational technology. In addition, training is made available in classroom management and the effective use of assessment data and teacher data teams in meeting the needs of all students. A primary goal of the professional development program is ensuring that all students are served by skilled, highly qualified teachers and that teachers are supported by strong, knowledgeable instructional leaders. The Crespi ILT has taken on Claim and Evidence as an academic focus for the 2017-2018 school year. The ILT also has developed Professional Learning Communities (PLCs) at Crespi. These are groups of teachers who work together throughout the year toward a common instructional goal. The four PLCs are geared toward Classroom Management, Technology Integration, Strategies for Teaching English Language Learners, and Project-Based Learning respectively.
