Kensington Elementary School is a cooperative partnership of students, teachers, staff, and parents, strong learning environment and a caring school community. Our school vision is to use this partnership to meet the social needs of all students. Kensington Elementary School is part of the West Contra Costa Unified School District, and students, and parents are dedicated to creating a learning environment in which children can acquire a quality education from kindergarten through grade six. Our ethnic make-up is approximately 7% African-American, 27% Hispanic, and 64% White. Our students speak approximately eight primary languages in addition to English. Our diverse backgrounds encourages interaction and mutual respect. We are united in a common goal: a quality education for all students.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Each classroom has a backpack of emergency supplies that is updated each year. Emergency cards are obtained for every student on our campus and copies are stored in the emergency container and in the emergency backpacks in each classroom. We have two iPads with emergency contact information for each student; these will be updated throughout the year and kept as current as possible. Emergency supplies are located in a container on the lower pl
