

Hanna Ranch is a school dedicated to academic proficiency for all students. Our goal is to serve all of our students on a level that will challenge them and provide a creative approach to education that will serve them well as they continue along their path of life long learning. Hanna Ranch is a school dedicated to building strong character. We understand that in order for our students to succeed in life they need to have the social skills to do so. At Hanna Ranch, we address all curriculum areas and utilize effective teaching strategies. We will maintain a safe, respectful, interdependent and responsible environment, and give our students the tools they need to become independent, contributing and responsible citizens. We address the evolving academic and social needs of all students. We incorporate technology in the classroom and promote student success through our positive climate initiative.

Hanna Ranch was built in 1995. Each building houses three classrooms built around a shared space, which is available for small group learning and teacher collaboration. There are three portable classrooms. We used our bond funds for a landscape improvement project that includes the construction of an outdoor classroom.

Note: Science assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Our Parent/Teacher Association (PTA) works to ensure that teachers and students have the support and resources necessary to community informed on key policies, curriculum, student achievements.

Our School Site Council (SSC) and PTA coordinate our parent involvement program. SSC meetings provide parents with information about the school plan/programs and student progress as well discuss the budgets as they pertain to the School Site Plan. The school provides a variety of parent involvement venues, including:

- Common Core Standards tutorial
- Program and parenting informational meetings
- Back to School Night
- Open House
- Halloween Celebration
- Christmas Plays
- Black History month celebration (Hercules Library)
- Family Science Night
- Family Movie Night
- Potlucks
- Classroom volunteers

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

Hanna Ranch has a Comprehensive School Safety Plan. All staff are continuously being trained in disaster preparedness and procedures for communication, evacuation/shelter, and search and rescue. The school has disaster kits for all classrooms and supplies for each student.

Staff: The safety plan is reviewed each year, and new staff members are assigned to teams. We review team responsibilities and skills at our first Faculty Meeting. This year we will once again participate in the District Disaster drill. In the event of an earthquake, all classes will evacuate and one class will be bussed to the Swim Center to participate in the Red Cross shelter drill there. Our safety teams will review their roles, test their systems and inventory equipment.

Students: We hold monthly fire drills, triannual earthquake drills and shelter-in-place drills and yearly evacuation.

Community: Disaster emergency contact information is collected from all families in September. Safety procedure information is
